ILLINOIS.

CHICAGO, Oct. 14.—A collision  
between the evening accommodation  
and a gravel train on the North-  
western Railroad occurred at May-  
wood this morning, by which two  
passengers were killed and a number  
wounded. The names of the killed  
are Monroe W. Anderson, of Elgin,  
and W. P. Sautzger, of Chicago.  
Several other passengers were badly  
shaken up. A misunderstanding as to  
signals was the cause of the acci-  
dent.

MILWAUKEE, Wis., Oct. 14.—  
Last evening as the switch engine  
in the yards of the Chicago, Mil-  
waukee and St. Paul Railroad  
started to cross the Burnham slip  
bridge, the fog was so thick that it  
was impossible to see far ahead.  
The engineer did not discover, un-  
til within a few feet of it, that the  
bridge was turned for passing vessels.  
The engine, tender and one freight  
car plunged into the river. The  
engineer and fireman jumped from  
the engine. The former, Len Rutter,  
was picked out of the river, proba-  
bly fatally injured. The fireman  
escaped with severe bruises. Harry  
Hill, telegraph operator, who was  
riding on the bumper of the loco-  
motive, was buried under the debris  
and crushed into an unrecognizable  
mass. The loss to the railroad is  
about \$25,000.

THE INDIANS.

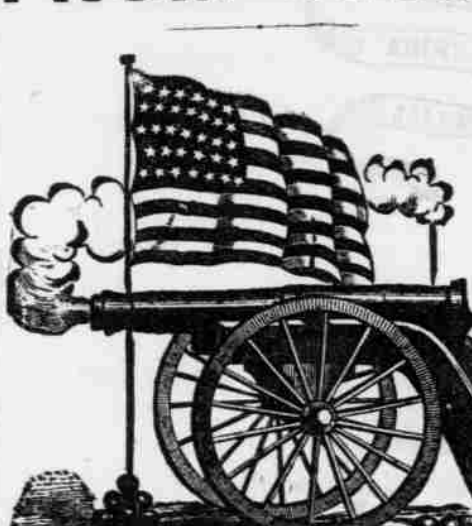

CHICAGO, Oct. 14.—An official  
dispatch from General Merritt, dated  
Oct. 11, says: He moved down the  
river to a point near the White  
River Agency that morning. The  
cavalry had been out looking for  
the Indians, and report trails lead-  
ing to Grand River. He has but  
little doubt but that the Indians  
have gone to the Uncomphgre  
Agency. He expected Gaubert  
and Herry the following day and  
would then move toward Grand  
River. He had buried several bodies,  
including Meeker. He was in doubt  
about the number the hostiles could  
muster. It had been clearly ascer-  
tained that all the Uintah Indians  
joined the Utes before Thornburgh's  
fight. He concludes: "If orders  
are to go to the Southern Agency  
and fight what we meet, I shall be  
glad to carry them out, but I hope  
my instructions will not be delayed."  
Gen. Merritt regrets exceedingly  
the great amount of military sup-  
plies sold these Indians by ranches  
men.

"You Don't Know Their Value."

"They cured me of Ague, Bilious-  
ness, and Kidney Complaint, as re-  
commended. I had a half bottle left  
which I used for my two little girls,  
whom the doctors and neighbors said  
could not be cured. I am confident I  
should have lost both of them one  
night if I had not had the Hop Bit-  
ters in my house to use. I found they  
did them so much good I continued  
with them, and they are now well.  
That is why I say you do not know  
half the value of Hop Bitters, and do  
not recommend them highly enough."

Republican Gains in all Parts of  
the State.

Foster's Election as Governor Con-  
ceded on all Hands.

His Majority from Twenty-five to  
Thirty Thousand.

And the Legislature Undoubtedly  
Republican.

Which Will Rid the Country of  
Senator Thurman.

The Buckeye State Responds to a  
Solid South.

And Gives an Emphatic Verdict  
Against the Yazoo Plan.

The Backbone of Democracy Badly  
Broken.

CINCINNATI, Oct. 15.—12:15 a. m.  
Special Dispatch to the Chronicle.

The day has been a pleasant one all  
over the State, and the largest vote  
ever polled was cast—probably nearly  
seven hundred thousand. The re-  
turns have steadily indicated Republi-  
can gains. At this hour—midnight—  
the indications are that Foster's ma-  
jority for Governor is from 25,000 to 30,-  
000, and may reach 40,000, which almost  
necessarily implies a Republican Leg-  
islature, insuring a Republican Sena-  
tor in place of Thurman. But six out  
of ninety-five precincts in Hamilton  
county have been heard from, in all of  
which are good Republican gains. The  
indications are that the Legislative  
ticket from Hamilton is elected by a  
majority of nearly 25,000.

In Cleveland the Republican ma-  
jority is about 500 with a full county  
ticket elected. There are no returns  
from any other large cities yet in. At  
half-past ten the Democratic head-  
quarters in Columbus were closed up  
and the Democrats had gone home  
sick, while the Republicans  
were wild with excitement.

The election of a Republican  
Legislature insures a complete re-  
demption of the State from Demo-  
cratic rule, and the restoration of Con-  
gressional districts as they were be-  
fore the Democratic gerrymander that  
enables them to send Democratic dele-  
gations to Congress. As compared  
with the vote of 1877 it represents a  
change of about 50,000 votes, and is  
the greatest Republican victory since  
1872.

CINCINNATI, O., Oct. 14.—The  
weather is clear and pleasant.  
There will undoubtedly be a large  
vote polled. Up to noon about the  
average number had voted. Geo.  
W. Williams, colored Republican,  
for Representative, is being  
scratched by many Republicans.  
Lewis E. Bernard, the Democratic  
candidate for the Common Pleas  
Court, is being served in the same  
manner by many Democrats. Little  
attention is paid to the amendments.  
In the second ward several hard  
money Democrats scratched Ewing.  
From Republican sources it is  
claimed that the Republicans gain  
in the first, fourteenth, fifteenth,  
sixteenth, seventeenth, twenty-  
second and twenty-third wards.  
Several arrests were made by the  
police of ticket holders, but were  
all released shortly afterwards.

A dispatch from Cleveland says:  
"A large vote is being polled. The  
Republican majority for the State  
ticket is about the same as last fall.  
It is estimated that Foster's ma-  
jority in the State will be 15,000."

COLUMBUS, O., Oct. 14.—Both  
parties are working hard. All

business is suspended. The Na-  
tionals do nothing together—they  
are working for Foster.

Returns from only 30 precincts  
in the entire State have been re-  
ceived up to 9:15. The net Republi-  
can gains, if they continue the  
same throughout the State, will  
elect Foster by 25,000 majority.

The weather to-day throughout  
the State has been very fine, and  
the indications are that the heaviest  
vote ever known has been polled.

We now have returns from forty  
precincts, widely scattering, which  
show net Republican gains of 545.

10:15.—Returns from 160 pre-  
cincts, collected and reported by the  
managers of the Western Union  
Telegraph Company's offices  
throughout the State show a net  
gain of 2,730 for Foster, Republi-  
can, for Governor, over the vote for  
Secretary of State in 1878. This  
indicates a Republican majority in  
the State of from 25,000 to 30,000.

The following is a detailed state-  
ment of returns of the State elec-  
tion to-day received here up to this  
hour: Allen county, two townships,  
Republican gain 13; Ashland coun-  
ty, two precincts, Democratic gain

Democratic gain 11; Huron county,  
two townships, Democratic gain 10;  
Jackson county, one township, Rep-  
ublican gain 12; Jefferson county,  
two townships, Republican gain 1;

wards of Mt. Vernon, Rep. gain 198;  
Lawrence county, one township and  
one ward of Ironton, Republican  
gain 13; Lake county, two town-  
ships, Republican gain 298; Lick-  
ing county, seven precincts, Republi-  
can gain 715; Lorain county,  
eight townships, Republican gain  
50; Lucas county, two townships,  
Democratic gain 59; Madison  
county, three townships, Rep-  
ublican gain 22; Mahoning  
county, one precinct, Demo-  
cratic gain 11; Marion county,  
one township, Democratic gain 10;  
Medina county, two townships,  
Republican gain 44; Meigs county,  
City of Middleport, Democratic  
gain 63; Miami county, six pre-  
cincts, Republican gain 72; Mor-  
row county, two townships, Republi-  
can gain 5; Muskingum county,  
eleven townships and wards, Rep-  
ublican gain 238; Noble  
county, two townships, Republi-  
can gain 19; Ottawa county,  
two precincts, Republican gain 75;  
Pickaway county, Circleville city,  
Republican gain 91; Pike county,  
two townships, Republican gain 23;  
Portage county, six townships,  
Democratic gain 76; Richland  
county, three precincts, Democratic  
gain 33; Ross county, three pre-  
cincts and one ward of Chillicothe,  
Republican gain 73; Sandusky  
county, five precincts, Republi-  
can gain 32; Scioto  
county, one township, Republican  
gain 24; Seneca county, two  
precincts, Republican gain 69;  
Stark county, five precincts, Demo-  
cratic gain 25; Summit county,  
eight precincts, Republican  
gain 157; Trumbull county,  
nine townships, Republican gain  
349; Tuscarawas county, two town-  
ships, Democratic gain 4; Union  
county, one township, Democratic  
gain 15; Van Wert county, three  
precincts, Democratic gain 7;  
Warren county, one township, Rep-  
ublican gain 8; Washington  
county, eight precincts, Republican  
gain 203; Wayne county, eight  
precincts, Republican gain 89.  
Wood county, one precinct, Republi-  
can gain 19; Wyandotte county,

one precinct, Republican gain, 12.  
Returns up to 11 o'clock from  
two hundred and fifty precincts show  
a net Republican gain of 5,233.

11:30.—Returns from 380 pre-  
cincts, wards and townships show a  
net Republican gain of 5,730.

CLAYLAND, Oct. 14.—Midnight—  
Sixteen wards give Foster 3,961 ma-  
jority. The city and county give Foster  
about 5,500 majority. The Republicans  
probably elect their entire county and  
Legislative ticket.

CINCINNATI, Oct. 14.—Midnight—  
The vote polled in Cincinnati and the  
county is probably the largest in its  
history. Many business men were at  
the polls the greater part of the day.  
The returns are coming in very slowly,  
not one-fifth of the vote yet  
being known. If the Republican  
gain in those reported continues, the  
Republican majority in the county  
will be about 3,000. Williams, colored  
Republican candidate for the Leg-  
islature, has been quite extensively  
scratched, but probably he and the  
whole Republican ticket are elected by  
majorities ranging from 1,000 to  
3,000.

2 A. M.—The Commercial and  
Gazette put Foster's majority at 25,000  
to 30,000. The Enquirer concedes a  
small majority, but claims the Leg-  
islature.

COLUMBUS, O., Oct. 15.—12:20 a. m.—  
The Republicans claim the Leg-  
islature upon the report of 4,000 Republi-  
can majority in Cincinnati and  
Hamilton county. The Democrats  
do not concede this.

Four hundred and forty precincts,  
wards and townships give a net Rep-  
ublican gain of 6,523.

COLUMBUS, O., Oct. 15.—2 a. m.—We  
have returns of the vote on Governor  
from over one-fourth of the State,  
which show Republican gains of  
7,500, and indicate a Republican ma-  
jority in the State of 25,000. Definite  
returns of the results of members of  
the Legislature have not been re-  
ceived, and the Legislature is claimed  
by both parties, with the chances in  
favor of the Republicans. Partial re-  
turns from forty-one counties give a  
Republican gain of 1,615. Partial re-  
turns from forty-seven additional  
counties give a Republican gain of 637.

2:15 a. m.—The Democratic State  
Committee concede the election of  
Foster but claim the Legislature. The  
Chairman of the Republican Commit-  
tee claims the election of 25 out of 35  
Senators, and 70 out of 114 Representa-  
tives.

DUBUQUE, Oct. 15.—The latest re-  
turns from this county indicate that  
the entire Democratic ticket is elected  
over the combined opposition of  
Republicans and Greenbackers. The  
Democratic State ticket has a probable  
majority of 1,500. The Greenback  
vote throughout the State has greatly  
fallen off. In some precincts in this  
county, where they have expected  
large gains, they have but 5 or 6 votes.

CHICAGO, Oct. 15.—The Iowa re-  
turns from thirty-one voting places  
show an aggregate Republican ma-  
jority of 4,150. Louisiana county  
gives 500 to 600, and Fayette 300 to 400  
Republican majority.

DES MOINES, IOWA, Oct. 14.—The  
day has been fine and pleasant  
throughout the State and the con-  
test for Governor in most localities  
is exciting and hard fought with  
a full vote in almost every case.  
Nothing reliable from the State as  
a whole is yet known.

Returns indicate that Gear's  
majority in this county is 700.

COUNCIL BLUFFS, Oct. 14.—This  
county is close. The returns are  
meagre. The Republicans elect a  
State Senator and two Representa-  
tives.

This county is estimated Republi-  
can by 100 majority. There has  
been much scratching.

CHICAGO, Oct. 14.—Returns from  
eight polling places in Iowa give  
Gear (Rep.) 1553, Trimble (Dem.)  
1,108, Campbell (Greenbacker),  
231 for Governor. These give no  
decided idea as to gains or losses.

Returns from sixteen voting  
places in Iowa give Gear (Rep.)  
4,432, Trimble (Dem.) 1,977, Camp-  
bell (Greenbacker) 682. Outside  
of these, Gear has in various poll-  
ing places 2,149 majority. So far  
as reported the Republicans have  
gained in all cases but one, Mar-  
shalltown, Ia.

Franklin county will give Gear  
an unusually large majority.

MARSHALL, IOWA, Oct. 14.—  
Hardin county, as far as heard  
from, gives the Republican ticket a  
large majority.

MUSCATINE, IOWA, Oct. 14.—  
About a three-fourths vote was  
polled in this county. It is esti-  
mated that Gear, Republican, for  
Governor, will have three to four  
hundred majority in this county.

DES MOINES, Oct. 14.—The vote on  
Congressman to fill the vacancy  
caused by the death of Rush Clark is,  
Thompson, Republican, 503; Calhoun,  
Democrat and Greenbacker, 190, a  
Republican gain of 351. Nine pre-  
cincts reported so far show a net Re-  
publican gain. There are no returns  
from counties till the polls are closed, so  
news will arrive late. A comparison  
will be made on the vote of 1877, when  
there were four tickets in the field as  
in this year there being but two  
tickets in the field last year.

Returns received indicate a Republi-  
can majority on the State ticket,  
over both Democratic and Greenback  
tickets, of 20,000. In the Fifth Con-  
gressional District, Thompson (Rep.)  
is undoubtedly elected over the Calhoun  
fusion. Legislative returns in-  
dicate that the Republicans will have  
a majority on joint ballot of 65.

GALVESTON, TEX., Oct. 14.—The  
News has the following: Informa-  
tion from Monterey, Mex., says:  
"The city of Chihuahua has been  
captured by the Revolutionists un-  
der Macherrao. Gen. Trevino, with  
the Federal forces, will evacuate  
Toscone."

## YELLOW FEVER.

MEMPHIS, TENN., Oct. 14.—10 a.  
m.—No new cases reported. Ten  
deaths have occurred since last  
night—Dillie Jacobs, a returned  
refugee; Jerry Enright, N. K. Bow-  
man, Lizzie Maloney, James Mc-  
Bride, W. R. Smith, Frank Hale,  
Eugene Eastinger, Giles Tibbs and  
Ed. Moore. The last two are  
colored. The weather is clear and  
pleasant.

John B. Cummings, President of  
the Board of Health at Forest City,  
Ark., thirty miles west of Mem-  
phis, on the Little Rock Railroad,  
has telegraphed to the Howards for  
four nurses.

12 m.—Two more new cases are  
reported, John Lutz and Gus La-  
gory. One more death is reported,  
R. S. Hutchinson, an employee of  
the Internal Revenue office.

MEMPHIS, TENN., Oct. 12.—  
Seven cases, two of which were  
colored, were reported to-day. The  
following are the whites: W. R.  
Smith, J. Holmes, E. Marett, Lilly  
Anderson, George Lacroix. Six  
interments have taken place since  
last evening: W. H. D. Wendell,  
E. T. Keel, Henry Jones, John H.  
Plain, Laura Bailey, and Cassandra  
Settles; the last named colored.

R. B. Hutchinson and Dr. A. L.  
Thomas were supplied with nurses  
today by the Howards.

There were nine new cases in all  
reported, eight white and one col-  
ored. Among the number are John  
Lanigan, Ben Jacobs, Rev. J. J.  
Perez, wife and daughter, and  
Mrs. Belle Linsay. Three  
additional deaths have oc-  
curred. Ex-Chief of Police  
Thos. J. O'Donnell (a relapse), Con  
Rawlings, a returned refugee, and  
Mrs. Catharine Martin. Sam Webb,  
a brakeman on the Little Rock  
Railroad, died of fever last even-  
ing at Hopefield.

The following will be published  
to-morrow: "Owing to an increas-  
ing malignance of the epidemic all  
permits to pass through the picket  
lines, issued prior to this date, are  
hereby revoked. Pickets are here-  
by ordered to permit no one to en-  
ter or leave Memphis after to-day,  
without a pass issued on or before  
the 15th of October. Signed, J.  
W. Ross, Assistant Superintendent  
of Quarantine."

Capt. J. C. Oates, a well known  
stevedore, died of yellow  
fever yesterday afternoon, five miles  
from Memphis, on Vice President's  
Island.

FOREST CITY, ARK., Oct. 14.—  
The Board of Health reports six  
cases of yellow fever here, four of  
which proved fatal within the past  
six days. The names of the vic-  
tims are, Mrs. Keathley and her  
child, Mrs. J. R. Brown, Mr. Wood,  
and Mrs. Mark Izard, who is now  
dying. Robert Langlet was taken  
sick last night, but it is certain  
that he has the yellow fever. He  
is the father of Mrs. Keathley, and  
nursed her during her illness. The  
origin of the fever here is unknown.  
Business is entirely suspended,  
and the town is almost depopulated.

LITTLE ROCK, Oct. 14.—Five  
new cases of yellow are reported  
existing at Hopefield, opposite  
Memphis, and at Forest City, forty-  
five miles west. The Howards have  
been telegraphed to at Memphis for  
nurses. Trains have been suspended  
on the Memphis Railroad east of  
Brinkley. Forest City is 90 miles  
east of Little Rock, and no appre-  
hensions are felt here.

FRANKLIN, LA., Oct. 14.—The  
sickness prevailing at Centerville,  
five miles below here, is undoubt-  
edly yellow fever.

NEW HAVEN, CONN., Oct. 14.—  
The Grand Jury to-day found a true  
bill against Rev. Mr. Hayden,  
charging him with murder in the first  
degree.

## WASHINGTON.

H. Bromby, of Charleston, was ad-  
mitted to practice in the Supreme

McLane's Celebrated Vermifuge,"

hold. Only see that "Fleming  
Bros., 24 Wood street, Pittsburg,"

worthless imitation.
